

Nature Café

(Bring your own mug - herbal tea provided)

Do you and your child enjoy playing in nature?

An inspiring evening for adults who care for young children.

Free Event

June 6, 2018

Chestnut Hill Library

8711 Germantown Ave.

7pm-8pm

Understand the vital benefits of nature in our children's lives and why you are the most important person to engage with them.

Please spend some time collecting a few natural materials with the child you care for. Don't go out of your way, just find what you can during your normal daily routine and bring these 'treasures' to the workshop.

All caregivers welcome, but adults only please.

Pre-school and daycare teachers can receive one PD credit by signing up on PA Keys PD Registry:

Introduction to Playing with Children in Nature
